

i wanna FLY away.....

I wish that I could fly Into the sky
So very high
Just like a dragonfly

I want to fly above the trees
Over the seas in all degrees
To anywhere I please

I want to get away
I want to fly away

Fly Away is my dream...Flying life make me feel so relax & free,i enjoy the freedom i have....Even i need to moving around every moments but i will try my best to do it...BUT....sometime,fly away is my excuse to run away from somethings,like.....i hate to face with conflict,it make me so stress and disturbing my psycho,i will try to do a lot stupid things to hurt myself and people around me...so,finally i found out that fly away is the BEST SOLUTION for me...

R. Kelly - I Believe I Can Fly lyrics

I used to think that I could not go on
And life was nothing but an awful song
But now I know the meaning of true love
I'm leaning on the everlasting arms

If I can see it, then I can do it
If I just believe it, there's nothing to it
I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly

See I was on the verge of breaking down
Sometimes silence can seem so loud
There are miracles in life I must achieve
But first I know it starts inside of me, oh

If I can see it, then I can be it
If I just believe it, there's nothing to it

Hey, cuz I believe in me, oh If I can see it, then I can do it
If I just believe it, there's nothign to it

Hey, if I just spread my wings
I can fly
I can fly
I can fly, heyFly-eye-eye
